- This is a syndicated CountyTrak Poll. CountryTrak is a syndicated County Performance Index that was launched in 2015 to provide objective information on citizen's perception of the county governments and the elected leaders therein. CountyTrak is a product of the Infotrak Poll . This particular survey was financed and conducted by Infotrak Research and Consulting using Computer Assisted Telephone Interviews (CATI) through Infotrak's ICATi suite.
- A sample of 1800 respondents were interviewed to represent the **743,736** Kakamega county registered voters. This sample translates into a margin of error of ± 2.31 at 95% degree of confidence.
- The sampling frame was designed to cover all the 12 constituencies and 60 wards of Kakamega County. The sample split was guided by population proportionate to size as stipulated in the 2017 IEBC voter register.
- The questions asked are highlighted under each graphic presentation.
- Data was collected between 22nd June – 2nd July 2017.
